STRIKE GOLD WITH MINE TRAIN'S THRILLING JACKPOTS

A 4-grid game featuring a bonus where you begin with 3 spins and gain 1 extra spin each time a symbol lands on the grid. The Jackpot Mini-Game gives you a chance to win one of the four jackpots by selecting the right boxes and matching three identical gems.

Dive into the depths of a mine filled with jewels and diamonds, where fearsome goblins have taken over to exploit its riches and amass their fortunes.

Legend has it that hidden within the most secret corners of this mine lies a room full of treasures and prize collectors. Anyone who manages to find their way in will leave with pockets brimming with priceless rewards.

But that's not all! The goblins whisper about an even more secret room, accessible only through the *Mine Train* when it's fully loaded. Stay alert, as this opportunity often appears when you least expect it.
