The Wall

LET'S FACE THE WALL!

The Wall is a 5-reel slot game with 243 paylines. The bonus is a several-stage game where green or red balls are released on the wall adding or subtracting winnings. An offer of free spins is made before the last stage of the bonus game.

Line up 3 BONUS symbols to trigger the *Face the Wall bonus*. Each BONUS symbol contains red and green balls.

Put each symbol on one of the 7 gates until all the balls are placed. The bonus game has 3 phases: *the Green Drop, the Contract, and the Red Drop*. During the first phase, the green balls drop so you can *win as much as possible*. During the second phase, you can *buy* more *free spins with a x2 multiplier* or move on to the last phase. *The third phase is also the most intense*: the red balls drop through the Wall. Each result is substracted from the accumulated winnings, then *you receive the final payout*.

Choose the right gates, gather your luck and enjoy the excitement of the *famous TV show: The Wall*!
