Time AttHäk

CONTROL TIME SO THEY CAN'T CONTROL YOU!

Time AttHäk is a 5 reel slot game with 20 paylines, a NUDGE WILD feature and a Time Freeze bonus. This bonus involves collecting free spins through a multiple-choice game. When you play your free spins, all the WILD symbols – if any – will move to fill the whole reel. The Time Warp feature will multiply your winnings or unlock more free spins.

In this *20 line slot game*, under the flashing neon lights of the city, the government uses artificial intelligence to track the citizens' every move. Play as Häk, a young woman who fights against the system using her powers to control time.

Land 3 BONUS symbols to make sure you aren't caught by your enemies and find a path across town. *Choose the areas you want to visit and collect free spins as you go.* You can make the free spins last *longer or multiply your winnings by using the Time Warp feature.*

Increase your chances of winning with the NUDGE WILD that spreads across the whole reel.
