Undercover Joker

DISCOVER THE TREASURES OF JOKERTOWN

Undercover JOKER is a slot game with 5 reels and 5 winning lines. With the mini-game *Busted!!!*, collect WILD symbols thanks to re-spins and the special super spin feature. If the player fills the entire grid with WILDS, they are rewarded with the game's maximum potential winnings: 5000x their stake.

Every JOKER in the world has a key to JOKERTOWN and you now hold such a key since your meeting with a mysterious young woman.

Only one person rules in JOKERTOWN and that's KING JOKER. A powerful character who keeps his city orderly and prosperous. However, one particular person is causing him some trouble, his daughter PRINCESS JOKER.

To keep an eye on her, the king has called in one of his closest servants: the UNDERCOVER JOKER. You know that the princess is in good hands when he shows up. Team up with him to find the princess on a nocturnal trail through JOKERTOWN and be rewarded for your loyal service.
