Mega Spinner

A JACKPOT AT YOUR FINGERTIPS!

A 4-grid dice game featuring a bonus game where you spin a triple wheel giving you points, point multipliers, Mystery games or maybe the cash prize jackpot. You can choose to accept or respin for another prize depending on your initial stake. With the "bonus reel" random feature the game can help you get a winning combination in a losing grid.

Discover this dice game and its *bonus game with 3 wheels*! *Win points, multiply them* and top it all off with Mystery games: the Mega Spinner explodes and will amaze you! Unless, of course, you win the *fabulous Jackpot* by simply lining up the 3 segments on the wheel that make the word 'Jackpot'.

Every little helps in the MegaSpinner.

Bet 10 euros or more to *get multiple turns at the wheel* to accept or refuse. Also try the *Bonus Reel* feature that provides access to the bonus game as well.

3 wheels, that's 3 good reasons to play.
