Banca Francesa

THE FIRST ONLINE ADAPTATION OF THE FAMOUS CASINO GAME!

Banca Francesa is a table game played with 3 different coloured dice. Zones allow different types of bets and rewards. This game's distinctive feature is that games can be a tie. The stakes then stay on the table but they can be added, taken off or moved during the place your bets phase.

Experience the sensation of Banca Francesa in your living room or wherever you are via your tablet or smartphone. What will be the *sum of the 3 dice that are cast*? Make the right bet and *win up to 61 times your stake!*

Place your bets according to your own strategy *on the 3 chances*; 'High' (14-15-16), 'Low' (5-6-7) or 'Aces' (3), all on a highly *intuitive game table* !

A dynamic rhythm: replay quickly, double your stake, replay the same stake, ... everything is possible thanks to the numerous options to be discovered.

Tip: refine your choices by having a look at the results of the previous games, the 'hot' and 'cold' numbers.

A brand new gaming experience is waiting for you, wherever you want!
