## 88 Mystery

*FOLLOW YOUR OWN STAR*

4-grid dice game with WILD dice in the base game and a bonus which gives increasing Mystery games. 3 wheels come one after another and allow better prizes to be won. If 1 Mystery game is won on the first wheel, you can choose to put it back into play to continue the game or leave with 100 points.

Test your luck in this Chinese theatre-like game.

Use the columns of WILD dice wisely to decide your fate. Go through the lucky door and dive into the heart of the action by lining up 3 bonus dice. Spin the wheels, get arrows and access bigger and bigger prizes. Make your way to the heart of the bonus: a magnificent gem worth 88 Mystery games!

Did you only get one Mystery game? Nothing is lost, put it back into play and try to access the next wheel again. Whatever happens, you always win at least 100 points!

So, follow your own star!
